Happy New Year!

Like many of you, I started my New Year by being sick. I spent the better part of a week on the couch feeling miserable. I hope each of you and your families are finally feeling better and back to good health!

As always, the beginning of a new year brings hope of great things to come. This year is no different. We have many exciting things taking place in January and February and invite you to be part of them.

The first exciting event will be on Monday, January 26th in the evening. Chick Moorman, an amazing speaker, will be talking with parents from 6:00-8:00 at High School East (main campus). There is more information about this opportunity on page 3 of this newsletter.

Students will be receiving their second report card of the school year on Friday, January 30th. This is a great chance for you to talk about all the things they have learned so far this year!

In the month of February we start enrollment for our students who will be in

Kindergarten or Young 5s in Fall of 2009. Students must be age 5 on or before December 1st to be eligible to attend. If you, or someone you know, has a child who will be starting Kindergarten in the fall please join us for Kindergarten Information Night on Monday,

February 23rd. This is a great opportunity to hear from the key people in the district and to get the necessary registration materials to enroll your son or daughter. There is more information on page 2 of this newsletter about times and location of the meeting.

I hope each of you have had a great start to the year. I look forward to continuing to work together to ensure learning for your child. As always if you have any questions please feel free to call me at 591-6077 or email me at tdale@grandblancschools.org

Sincerely,

Tia M. Dale

Perry Center Director

What is SCRIP?

SCRIP is a term that means “substitute money.” When you purchase SCRIP, you’re purchasing negotiable gift certificates and prepaid cards that are used just like cash. You can use SCRIP to purchase everyday items like food, clothing and other essentials and with every purchase, you help City School earn money for great educational opportunities!

SCRIP orders are taken on Mondays and the purchased cards are brought to school on Fridays and sent home with your child. Order forms are sent home weekly with all students and can be returned to the main office or the classroom teacher.

SCRIP is a great, easy way to help your school earn money for field trips and other educational events. If you have more questions you can contact our SCRIP coordinator at the information below:
